FIELD REPAIR INSTRUCTIONS

Parts: Ceramic Fiber Heat Shield - Part # 720820 x-1

Step 1

Step 2

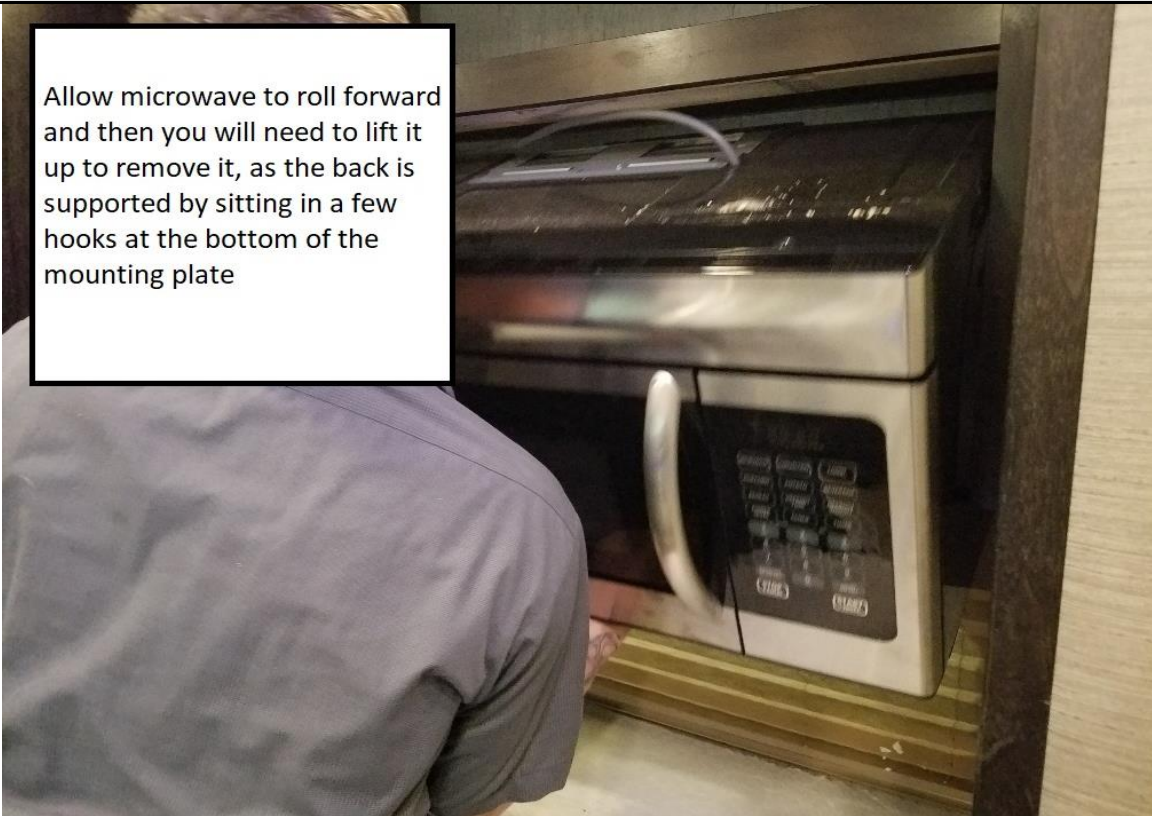

Step 3

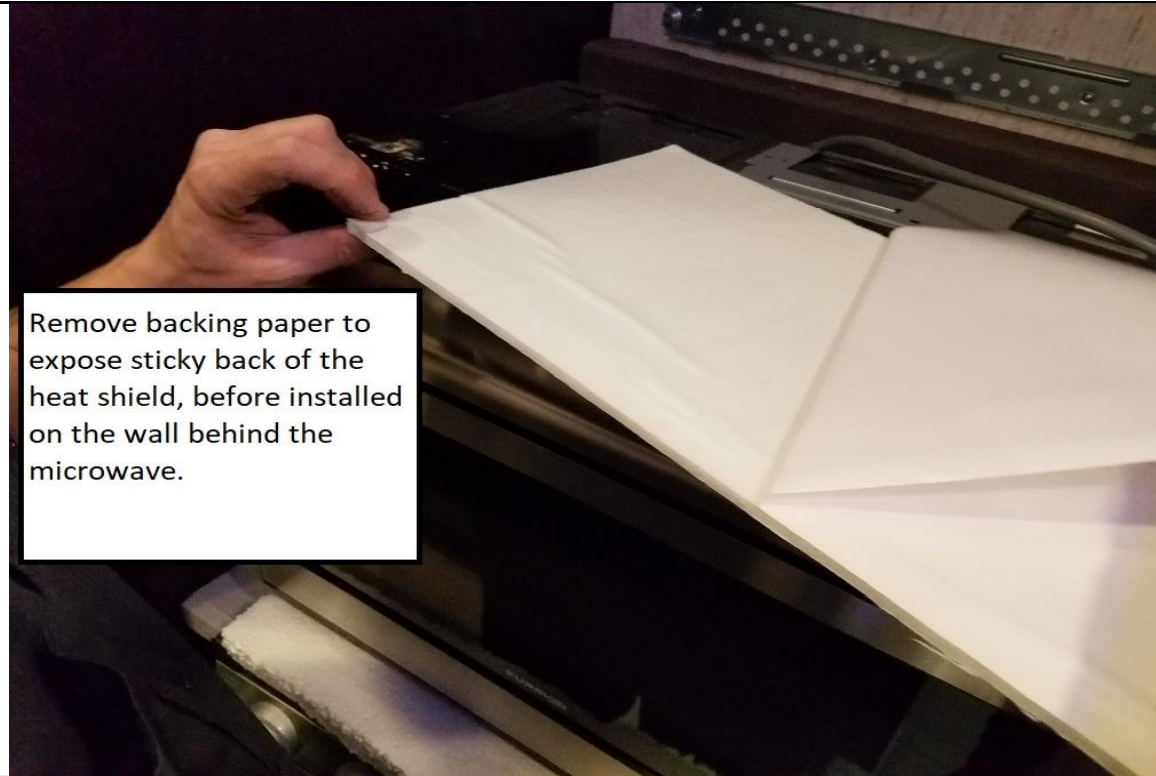

Step 4

Allow microwave to roll forward and then you will need to lift it up to remove it, as the back is supported by sitting in a few hooks at the bottom of the mounting plate

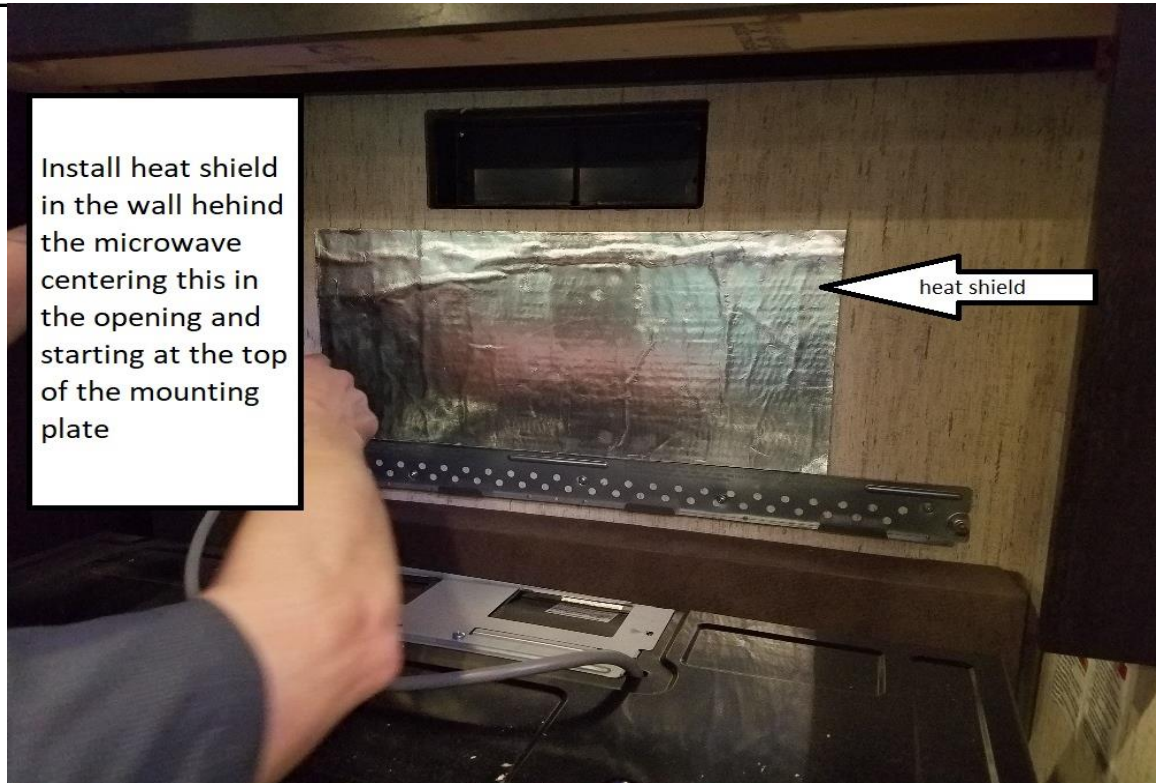

Step 5

Remove backing paper to expose sticky back of the heat shield, before installed on the wall behind the microwave.

Step 6

Install heat shield in the wall behind the microwave centering this in the opening and starting at the top of the mounting plate

heat shield

Step 7

Install is now completed

(please make sure top mounting bolts are fully tightened)
